Users Guide

Searching for a specific surname in these volumes is a 3-step process. For example, to locate the surname “Aaron”:-

1. Consult the **Surname List**, to identify the chapters in which the surname Aaron appears – in this case, Badt, Kara and Segal.
2. Consult the **Short Index** (following the **Surname Index**), to ascertain the volumes in which the chapters on the Badt, Kara and Segal families appear, and their respective page numbers.
3. Within each chapter, refer to the **Index of affiliated families** to be guided to the exact location on the family tree(s) where the surname Aaron is to be found.
